

# HOSSAM RASHAD

## FRONTEND DEVELOPER

Front end Vue.js web developer and UI, UX designer with 3 years of experience, worked on multiple projects with different companies as a freelancer and Fulltime, over 25 online/ freelancing jobs all remotely, loving what I do and want to bring a lot of value to the company and to be part of the company family.

## EXPERIENCE

October 2018- March 2022

### FULL TIME FRONTEND WEB DEVELOPER

- Frontend developer responsible for multiple things:
- Integration with different API's
- developing UI for three different platforms
- State management through the platform
- Redesigning and developing an online store with over 35+ pages, building the website with 2 different languages.

#### present

- Over 2000 Hours of self-learning

### How my projects work

- Using the latest version of each technology
- ability to work on multiple tasks and large projects
- Maintenance and secure code
- Clean and commented code
